

Full Stack Developer

Incumbent: N/A (New Position)

Reports to: Director, Information Systems Administrative Services

Reviewed by: President & Chief-of-Staff

Position Summary

We are seeking a highly skilled and motivated full stack developer to join our team. The ideal candidate will have a passion for learning and a drive to help us quickly create and bring to market an efficient, secure, and user-friendly browser-based assessment and billing system. This is a newly created position at NOLHGA to assist in growing our technological capabilities and prowess. Position is hybrid two days a week in the office.

Representative Duties & Responsibilities

- Work with the NOLHGA staff, NOLHGA members, and a team of developers to build and maintain a web-based platform for GA's to collectively assess and bill insurance companies across multiple-states. The system must be configurable to allocate a fixed assessment amount based on multiple parameters (i.e., market share at a point in time or over a period of time).
- Assist in building back-office reports and automations.
- Provide general help-desk support for NOLHGA's IT team when other team members are out of the office.
- Other duties as assigned.

Education & Experience:

- Bachelor's degree.
- Proven experience as a full stack developer (5+ years).
- Proficiency in HTML, JavaScript, React, node.js, .NET, MySQL, and AWS/Azure serverless architecture.
- Knowledge of C#, CSS, Bootstrap, JQuery, WordPress, and Azure.
- Proficient in using GitHub for version control and collaboration.

Key Competencies:

- Excellent problem-solving skills
- Attention to detail.

- Collaborative team player.
- Ability to be flexible and work through change and desire to grow and learn.
- Ability to independently manage projects and follow through on tasks.

ABOUT NOLHGA

NOLHGA is the national organization of state life and health insurance guaranty associations. It is authorized to act on behalf of its 51 members in the development, negotiation, and implementation of multi-state solutions.

NOLHGA is headquartered in Herndon, VA and has approximately 15 full-time employees.
