

2024 FORMULAS FOR THE

LIFE, HEALTH & ANNUITY GUARANTY ASSOCIATION ASSESSABLE PREMIUM EXHIBIT – Part 2

Listed are the various formulas that will be used in determining the state level assessable premium base for the Life, Health & Annuity Guaranty Association assessments. All line references are to the Assessable Premium Exhibit Part 2. Pay special attention to any state specific notes. You must complete every line of the Assessable Premium Exhibit Parts 1 and 2 for all states, District of Columbia and Puerto Rico in which you are licensed or had business during the reporting year along with a grand total page for Parts 1 and 2. DO NOT SUBMIT the Exhibits for American Samoa, Guam, U.S. Virgin Islands, Canada, and other alien jurisdictions.

The formulas have been obtained from the National Organization of Life and Health Insurance Guaranty Associations (NOLHGA) and are based upon the Assessable Premium Exhibit Parts 1 and 2 that have been adopted by the NAIC for 2024. These formulas are subject to review by the Life & Health State Guaranty Associations and may be changed. You will be notified of any changes that may affect the 2024 assessable premium base.

Please note effective 2013 Puerto Rico is no longer a member of NOLHGA. You must still complete and file the Puerto Rico exhibit forms with the NAIC and applicable Puerto Rico regulatory agency. The formula in the attached chart for PR is based on the last known act to NOLHGA in 2013.

Changes from 2023 (also highlighted in yellow below):

Connecticut, District of Columbia, New Hampshire and South Carolina – correction to A&H formula (CHIP is deductible)

District of Columbia, Kansas and New Mexico – correction to A&H formula (Medicaid is deductible)
