

# Keep Your Company's Contact Information Up To Date!

The National Organization of Life & Health Insurance Guaranty Associations (NOLHGA) maintains a database of company contact information for state guaranty associations called **AssessConnect**.

## To update your company's information:

1. Go to **www.assessconnect.com**.
2. Enter your company email address.
3. After the email address is confirmed, a secure link will be sent to the address.
4. Click on the link to view, add, or delete contacts associated with your company.

## Tips for updating your company's contact information:

- ✓ Use shared mailboxes for all assessment communications whenever possible to avoid any messages getting lost.
- ✓ When a contact is added or deleted, it will be confirmed by email.
- ✓ If you have trouble logging into AssessConnect or have any questions about using the system, please email **help@assessconnect.com**.
